Sabbath School
Summary
Many persons have a story behind the scars they carry. Some persons are embarrassed by their scars and some persons hide them. Jesus scars will be his identifying symbol in the earth made new. Your scars can be used to identify you but not condemn you. Use the story of your scars to help someone going through the same battles you overcame.

Program Aim
To teach the church that their scars show they overcame a battle fought and won by Jesus protective hands.

Scripture References
Isaiah 53:5

Theme Song(s)

Testimony

Opening Remarks:

Scars are areas of fibrous tissue (fibrosis) that replace normal skin after an injury. A scar results from the biological process of wound repair in the skin and other tissues of the body. Thus, scarring is a natural part of the healing process. Do you bear any
scars? Are you ashamed of your scars, or do you love them?

Most importantly, how do you think Jesus feels about our scars? I want to let you know that as bruised, battered and full of scars that you are Jesus loves you with an everlasting love. I can also assure you that Jesus was also beaten, bruised and pierced, and he still bears all the scars from dying on the cross for you and me.

Special Music

Welcome

Scripture Reading and Prayer

Isaiah 53:5: But He was pierced through for our transgressions, He was crushed for our iniquities; The chastening for our well-being fell upon Him, And by His scourging, we are healed.

Jeremiah 30:17

‘For I will restore you to health And I will heal you of your wounds,’ declares the Lord, ‘because you are called an outcast, Zion for whom no one cares.’

Main Feature

Have someone briefly share the story behind a scar that they have.

Conclusion
Ask the pastor or prayer coordinator to pray for healing over the scars in our lives, that it may bring healing about the body physically and spiritually. Pray that God knows about our deepest scars, and by his stripes, persons are healed.
