Preparations and resources

A panel of 3-5 married Christian couples.

A.Y. Idea Snippet #1

Aim: To encourage healthy christian relationships

Create a panel with about 4 married couples from your church of all age ranges from newlyweds to golden agers. Ask them general questions about how they met, then ask what role does God play in maintaining their marriage. How important is family worship to their marriage and what are their family customs. What encouragement do they have for young single christians looking to start relationships?

Create a panel with about four married couples from your church of all ages ranging from newlyweds to golden-agers. Ask them general questions about how they met, what attracted them to each other etc. Ask some of the following type of questions:

- What role does God play in maintaining your marriage?
- How important is family worship to you as a couple?
- What encouragement do you have for single Christian men and women?
- What are some family traditions that help grow your family's spirituality?
- What are the key characteristics to look for in a spouse?
